WHAT OUR STUDENTS SAY

BRITISH UNIVERSITY VIETNAM BUV
HOME OF THE LIONHEARTED

VIKTORIA FIEDLER
FROM GERMANY

Studying at BUV gives me a degree I can use internationally, real internship experience, and a network that goes beyond one country. That's why I feel confident that after graduation, I can live and work in Europe such as Spain, Germany, or somewhere else. For me, it's really important to know that I'm not limiting my future.

YASHVASIN
FROM INDIA

At BUV, we have friendly and engaging teachers - they don't just teach, they talk with students, make jokes and create a relaxed classroom atmosphere. Along with the international environment and making friends from different countries, going out together for lunch or dinner, this helped me feel more at home than I expected. If I had to give advice to students considering BUV, it's a must.

RAHEL KARUNARATNE
FROM SRI LANKA

BUV has a modern campus, good facilities, and supportive lecturers from different countries. The international community is friendly, and the local buddy programme helped me settle in quickly. Studying Data Science and Artificial Intelligence here has strengthened my confidence that I chose the right programme and the right place.
