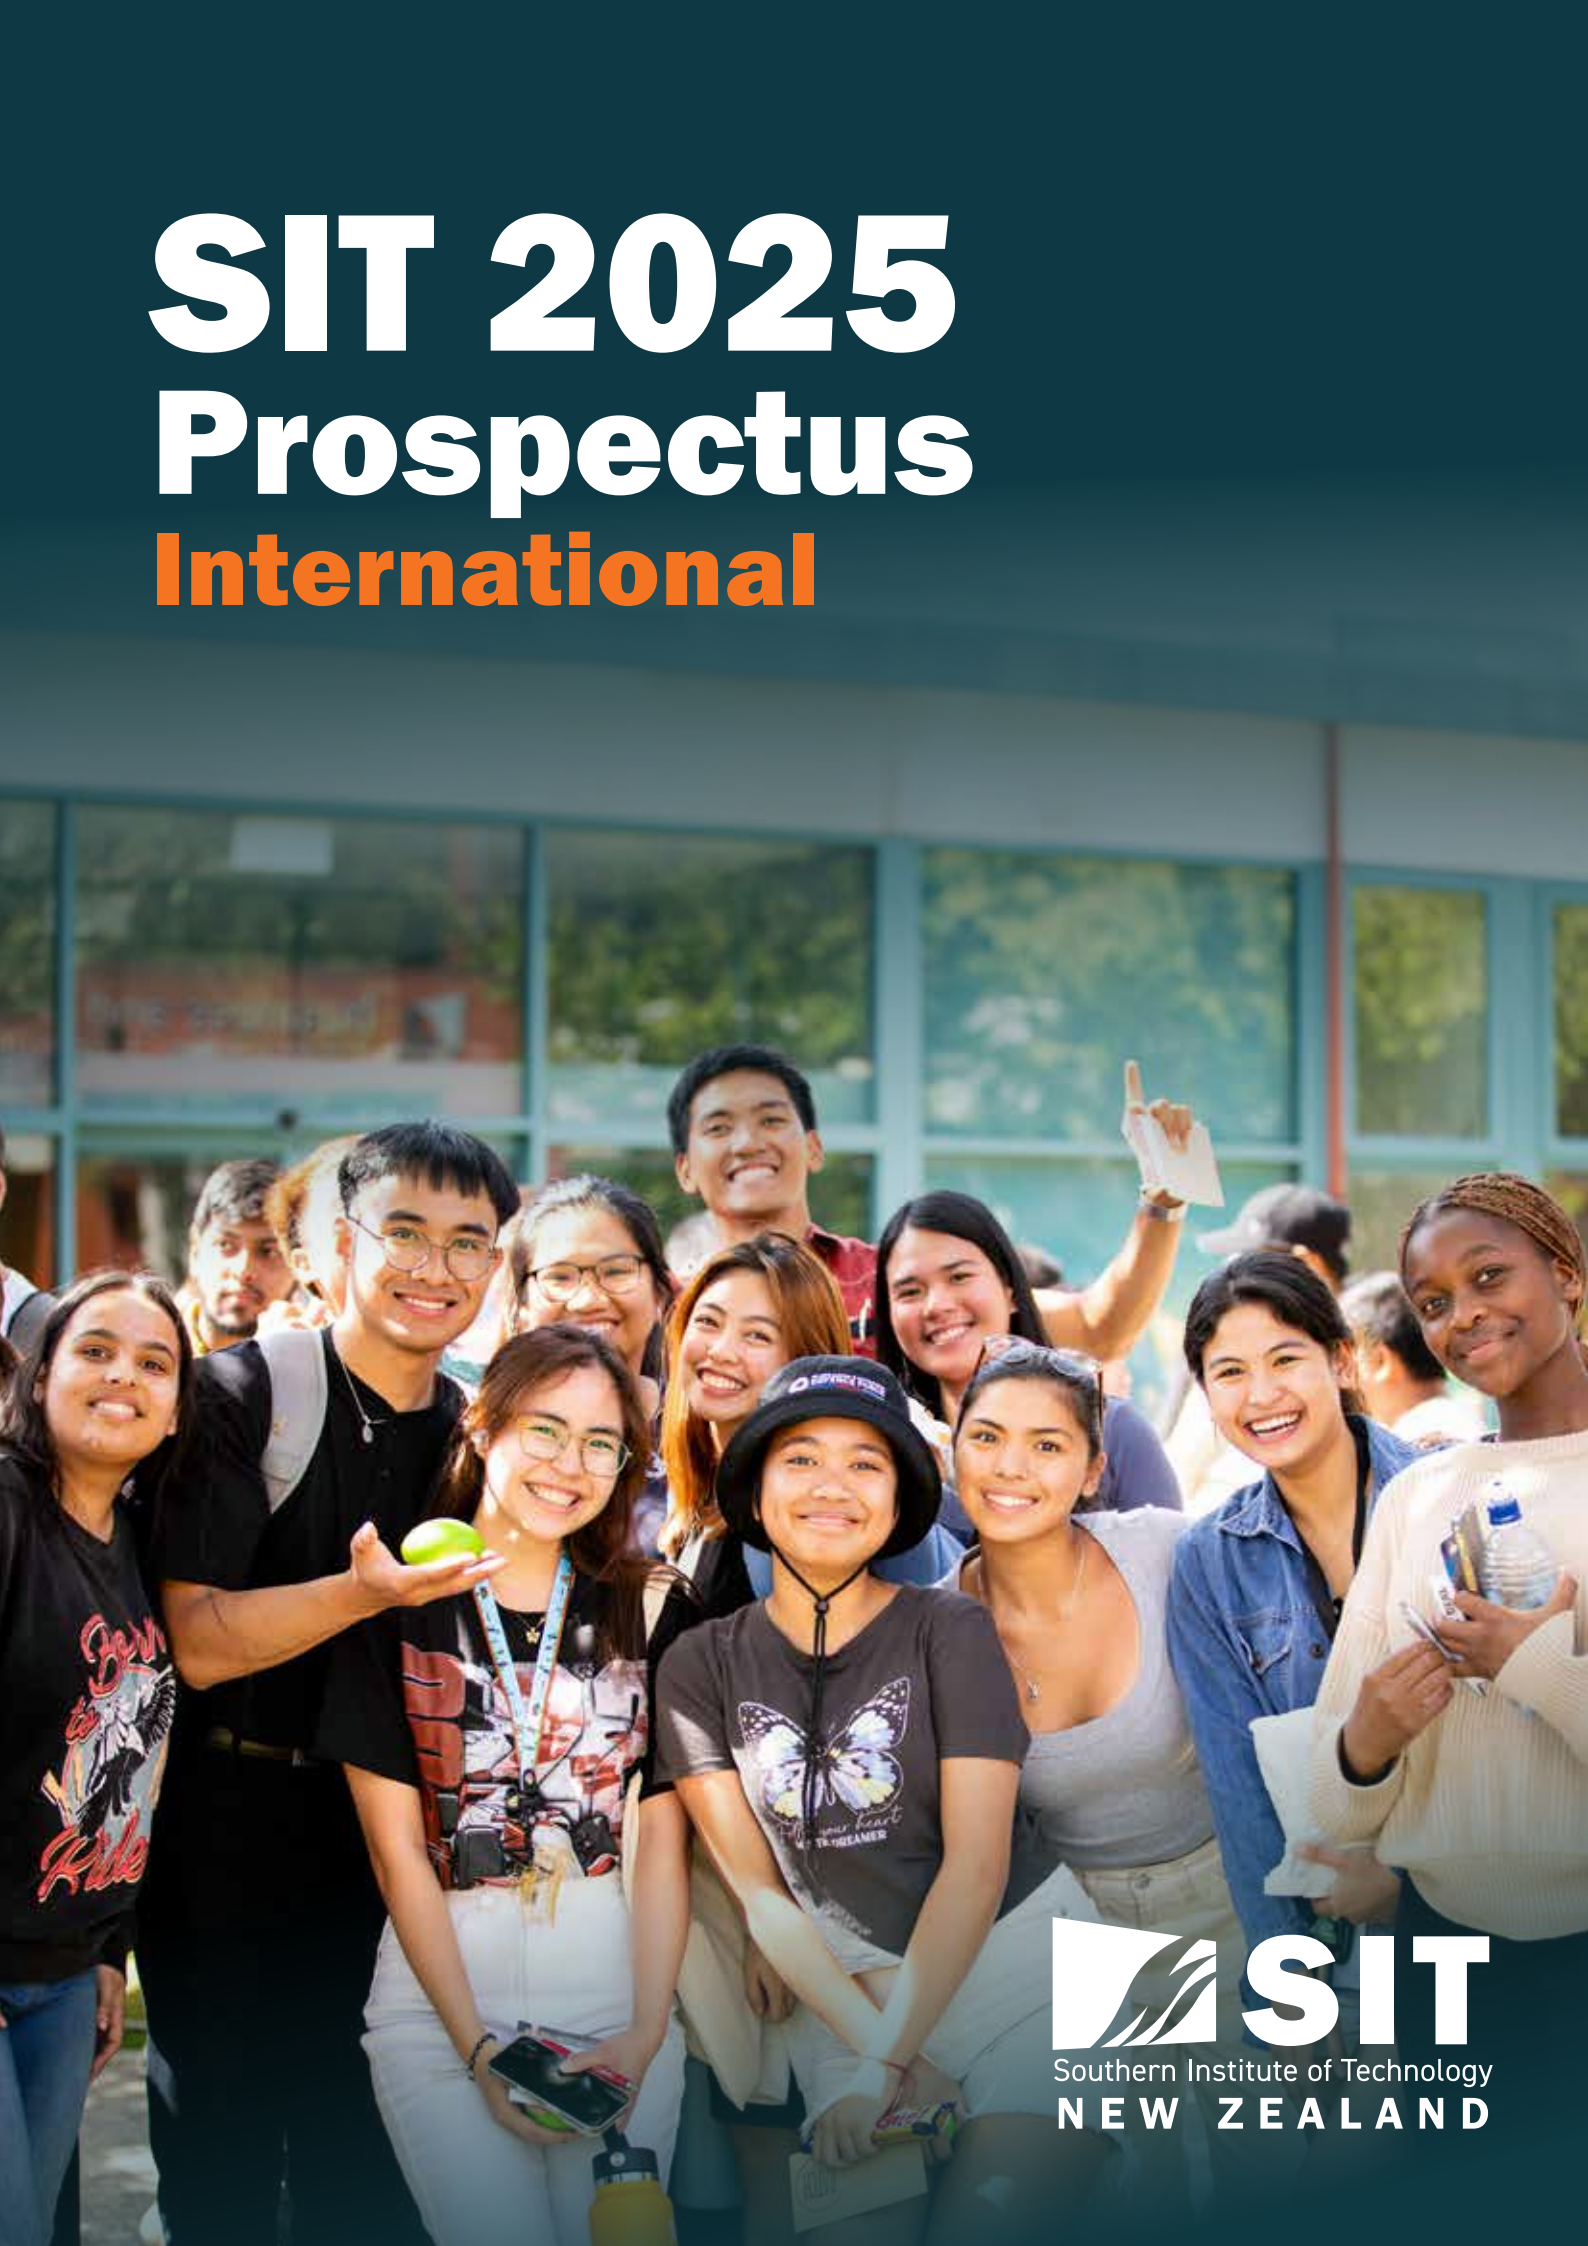
SIT 2025 Prospectus

International



Southern Institute of Technology
NEW ZEALAND

HAERE MAI, WELCOME

Welcome to the Southern Institute of Technology (SIT), one of New Zealand's largest government institutes of technology, home to a vibrant student community.

SIT is here to help you achieve your academic and career goals.

By choosing SIT, you will get the best of both worlds. Not only will you gain a challenging academic education, you will also gain real-world experience thanks to our strong links with industry and employers.

We combine the best of tradition with cutting-edge technology. With a history dating back to the 1880s, SIT has a proud record of quality education and training. We have also gained a reputation for innovation, developing New Zealand leading qualifications, facilities and opportunities for students.

With over 13,000 students and 200 programmes, SIT is large enough to offer you variety and a student culture, yet small enough to retain a friendly atmosphere and personalised learning with small class sizes.

Combined with your education, we will help you achieve your academic and career goals – whatever they may be.

I hope to see you on campus soon!

INVERCARGILL & SOUTHLAND

STUDY IN CLEAN, GREEN, CARING NEW ZEALAND

Southland – a genuine Kiwi experience! Southland is New Zealand's southern most province and is a region of rich natural contrasts, beauty and wildlife, boasting quality tourist destinations.

The population of Southland numbers around 100,000 people who have an international reputation for being incredibly hospitable to visitors coming to the region.

Primarily an agricultural economy, Southland has gained a top reputation nationwide as a region for producing innovative, high quality, tertiary education programmes.

Invercargill, the capital city of Southland, has a population of 55,000. It is big enough to cater for your lifestyle needs, yet small enough to provide a stable and friendly atmosphere in which to focus on your study.

Invercargill is situated on the southern coast of New Zealand. The commercial heart of Southland, it is a flat, spacious place, where it is easy to find your way around and enjoy a variety of shops, restaurants and cafes. Accommodation and living costs are considerably lower than in other major cities in New Zealand.

Invercargill is the gateway to popular tourist destinations such as Queenstown, Stewart Island and Catlins, which are all within driving distance for a good day out and a return trip before evening. Few regions in New Zealand can better the diversity of mountains, lakes and fiords, historic gold mining towns and lush countryside that Southland has to offer.

SOUTHERN INSTITUTE OF TECHNOLOGY (SIT)

With a main campus in the heart of Invercargill, regional campuses in Queenstown and Christchurch, and a specialist primary industry campus in Balclutha, SIT is dedicated to equipping learners with the skills, knowledge, and experience for a wide range of subjects and qualifications.

Students at the Southern Institute of Technology (SIT) in Invercargill can take advantage of the SIT difference, which includes:

- **Affordability:** SIT is an attractive option for those seeking quality education without the burden of high costs. SIT is known for its affordable tuition fees and various scholarships available for both domestic and international students. Invercargill is also recognised as having a lower cost of living than many other areas of New Zealand with an independent comparison between Invercargill and Auckland finding:
  a. Rent prices in Invercargill are 50.5% lower than in Auckland
  b. Restaurant prices in Invercargill are 15.1% lower than in Auckland
  c. Groceries prices in Invercargill are 14% lower than in Auckland
- **Practical Learning Approach:** SIT emphasises practical, hands-on learning experiences that are closely aligned with industry needs. This approach ensures that graduates are well-prepared for the workforce and can seamlessly transition into their chosen careers.
- **Industry Connections:** The institute has strong connections with various industries, both locally and internationally. Southland businesses and industries provide opportunities for internships, work placements, and networking, which are invaluable for students looking to kickstart their careers.

- **Support Services:** SIT provides comprehensive support services to help students succeed academically, personally, and professionally. SIT is a signatory to the Tertiary and International Learners Code of Practice and SIT learner support includes academic advising, counseling, career services, and extra activity opportunities for international students.
- **Modern Facilities:** With a diverse range of programmes across various disciplines, including business, hospitality, IT, engineering, healthcare, music, audio engineering, environmental management, screen arts, and more the institute is equipped with modern facilities, including state-of-the-art laboratories, creative media suites, culinary spaces, technology equipment and facilities, and recreational areas.Students have the flexibility to pursue their interests and find a programme that aligns with their career goals.
- **Location:** Invercargill, where SIT's main campus is located, offers a unique blend of urban amenities and natural beauty. Students can enjoy a vibrant city life while being close to stunning landscapes, including beaches, mountains, and national parks.
- **Community Atmosphere:** With a relatively small student population compared to larger universities, SIT fosters a close-knit community atmosphere. This allows for more personalised attention from instructors and meaningful connections with peers.

Overall, studying at the Southern Institute of Technology in Invercargill provides students with an affordable, practical, and supportive learning environment, coupled with opportunities for industry engagement and personal growth.

The SIT difference

Get all this at no extra charge:

- Free airport pick up

OUR CAMPUSES

Invercargill Campus

On campus facilities include a student gym, bookshop and cafe, and support services such as a health nurse, counsellor, chaplain, learning assistance centre, disability liaison, Iwi liaison and Pacific Island liaison.

Te Rau o te Huia is the latest addition to SIT innovative solutions to education, housing our Creative Arts programmes including Screen Arts, Music, Photography and Filmmaking. This state-of-the-art buidling has been design and created around a 160 year old historic Church integrating the old with the new.

One of the greatest things about Invercargill is the relatively low cost of living. If you're intending to go flatting, you can expect to find a good, warm house from $150 upwards per room, per week (plus expenses).

Invercargill's world-class sporting facilities include indoor cycling velodrome water-based hockey turfs on par with the Beijing Olympics, an Olympic-size swimming pool and a huge indoor stadium.

As well as having numerous beautiful parks and gardens within the city, Invercargill is the gateway to some of New Zealand's most beautiful scenery and destinations including the Southland heartland, Stewart Island, Fiordland, the Catlins and Central.

Queenstown Campus

SIT Queenstown Campus provides a unique opportunity to study in New Zealand's world-famous adventure tourism capital.

Advance your career in hospitality, tourism, business, information technology, health and wellbeing, cookery and hospitality while enjoying the superb Queenstown lifestyle.

SIT's Queenstown Campus (established 2009) is conveniently located in the Remarkables Park Town Centre at Frankton, with the spectacular backdrop of the Remarkables mountain ranges. Our modern facilities provide an exceptional teaching environment; new purpose built spaces, magnificent views, ample parking and is easily accessible by public transport.

Our programmes link strongly with local industry, providing a number of opportunities to engage with employers and industry experts. Our academic staff are drawn from industry, with most still working in their fields, helping bring real life experineces to the classroom.

With countless hotels, resorts and luxury retreats in and around Queenstown - not to mention a host of adventure and hospitality businesses - there are a number of employment options for students.

SIT Queenstown brings you the opportunity to enjoy the adventurous Queenstown lifestyle, whilst studying towards an industry recognised qualification.

SUPPORT SERVICES

Accident Insurance

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Code of Practice

SIT has agreed to observe and be bound by the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. Copies of the Code are available from the New Zealand Qualification Authority website at

www.nzqa.govt.nz/providers-partners/tertiary-and-international-learners-code/

Eligibility for Health Services

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details or entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Medical and Travel Insurance

International students (including group students) must have appropriate and current medical and travel insurance while in New Zealand. SIT automatically organises insurance for mainstream students through the resource fee. SIT will also organise insurance for English language students and students on exchange programmes, at an additional cost.

Visas and Immigration

Full details of immigration requirements, advice on rights to employment in New Zealand while and after studying are available from Immigration New Zealand, and can be viewed on their website at www.immigration.govt.nz

Refunds

It is important that you read SIT's refund policy, available at www.sit.ac.nz. Each request for refund is decided on its individual merits and there is no automatic right to a refund of fees if you change your mind about studying atSIT.

QUALIFICATION LEVELS

The New Zealand Qualifications Framework (NZQF) is comprised of ten levels and covers a range of qualifications from certificates to doctoral degrees. The levels are based on how complex the learning is; with one being the most basic, through to ten being the most complex.

Level 1-5

Certificates
are awarded in a variety of subjects at a range of levels and may be of differing lengths.

Level 5-7

Diplomas
awarded are usually at a higher level than certificates and are 1–2 years in length.

Level 7

Bachelor
is awarded for advanced study that concentrates on general principles and essential knowledge. They are usually 3–4 years in length.

Level 7-8

Honours, Graduate, Postgraduate
These programmes are for study after the completion of an initial degree and are ideal if you want to broaden your existing knowledge or retrain in areas of demand.

Level 9

Master
is awarded for study beyond an initial degree and will generally involve a combination of intensive study and supervised research. The next step is a doctoral degree Level 10.

Essential Info

Accident Insurance
The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents, and temporary visitors to New Zealand, but you may still be liable for other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Code of Practice
SIT has agreed to observe and be bound by the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021. Copies of the Code are available from the New Zealand Qualification Authority website at www.nzqa.govt.nz/providers-partners/education-code-of-practice/

Eligibility for Health Services
Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details or entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Along with your application please send:

- ✓ Certified copy of my passport ID page or birth certificate
- ✓ Certified copy of my IELTS, PTE or TOEFL test result (if a test was taken)
- ✓ Certified copy of academic transcripts and completion certificates listed on this form (in original language and an English translation if appropriate)
- ✓ Any other documents required by my programme (eg. portfolio for digital media and design programmes, statement of purpose for specified programmes)
- ✓ Details of any medical, learning or disability support requirements.

Medical and Travel Insurance
International students (including group students) must have appropriate and current medical and travel insurance while in New Zealand. SIT automatically organises insurance for mainstream students through the resource fee. SIT can also organise insurance for English language students and students on exchange programmes.

Visas and Immigration
Full details of immigration requirements, advice on rights to employment in New Zealand while studying, and reporting requirements are available from Immigration New Zealand, and can be viewed on their website at www.immigration.govt.nz

Refunds
It is important that you read SIT's Refund Policy, available at www.sit.ac.nz. Each request for refund is decided on its individual merits and there is no automatic right to a refund of fees if you change your mind about studying at SIT.

Disclaimer
While the information provided in this document was true and correct at the time of publication, SIT reserves the right to alter or discontinue programmes, procedures, fees and regulations at any given time without notice. Students should carefully read all official correspondence and other sources of information for students, such as our website, to be aware of changes to the information contained in this document
